

BATTERY CHARGING

CONNECT THE BATTERIES TO THE CHARGER AS PER DIAGRAM

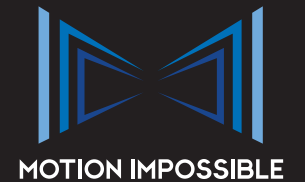

M-SERIES QUICK START GUIDE

*REFER TO MANUAL FOR FURTHER CHARGING INSTRUCTIONS

MOTION-IMPOSSIBLE.COM

Operating the M-Series System requires a degree of skill and practice that improves with experience. Sudden/Erratic movements with camera equipment attached can cause the M-Series System to become unstable. Take care to control the M-Series System responsibly at all times. Motion Impossible Ltd cannot be held responsible for any damage or injury caused by irresponsible driving. Be careful to operate within your experience levels at all times.
